

# Expand Your Utility Business: AFV Market Development

Supported by:

**UFP**  
UTILITY FLEET PROFESSIONAL

May 4-7, 2015 | Dallas, TX  
Kay Bailey Hutchison Convention Center

## AFV Fleet Case Studies

Gain insight from AFV fleet operators on key factors to evaluate—including the size of your fleet, application type, range, and existing maintenance facilities, and fueling infrastructure.

## Utilities Advancing AFVs Workshop

Learn how to engage fleets in your territory to expand your business—including outreach and education programs, specific service tariffs, policy initiatives, and incentive programs.

## Connect with 225+ Exhibitors

Get hands-on access to the latest alternative fuel vehicles, equipment and technology providers, conversion products, station equipment, and more! All vehicle weight classes are represented.

**PREVIEW ACT EXPO IN 2 MINUTES:** [www.actexpo.com/see](http://www.actexpo.com/see)

**Short on time?** Join us May 6 for the Workshop and Expo Hall for \$125. To learn more, visit [www.actexpo.com/register](http://www.actexpo.com/register).
